Inmagic DB/Text Version 15 was released this week. If you have a current subscription to software Maintenance, you should receive an email from [advantage@inmagic.com](mailto:advantage@inmagic.com) with the download instructions for version 15.

**The release of DB/Text version 15 is good news and we are very excited about this, but we want you to take note of the following:**

1. Note that the upgrade is only for DB/Text and Webpublisher and not for GENIE.
2. Clients with GENIE should wait with the implementation of version 15 until notified that they can safely do so.
3. If you are running Webpublisher searching across multiple textbases via one search screen, please contact us first before you do any upgrades.
4. Clients should not try to install this version all by themselves. The upgrade requires the reload of your textbases. If you do want to install this without the help of Mindex, please note that we will not take any responsibility for loss of data. Contact the support desk at [office@mindex.co.za](mailto:office@mindex.co.za) for advice on the matter.
5. We advise clients to wait until end of June to do the upgrade to allow Mindex to test the new version first and make sure that we understand the upgrade process. We will in the meantime do selected upgrades and installations of version 15 to monitor the performance of version 15.

## TRAINING

---

- Mindex will be presenting courses in Pretoria on 5, 6 and 13 August.
- BeCeen will be presenting courses in Cape Town during 14-24 June 2015
- Please contact us by email ([office@mindex.co.za](mailto:office@mindex.co.za)) for further information.
- **Courses can be organized on request.** Should you need any courses that do not form part of the scheduled courses please contact us via email for a quote. Email to: [office@mindex.co.za](mailto:office@mindex.co.za)

## USER GROUP MEETINGS

---

BeCeen Concepts is hosting an Inmagic User Day: 25th of June 2015, 09:00 to 12:00.

Venue: Elsenburg Library

Please keep this date open to join us for an exciting morning of information sharing and networking. We will update you in the near future with more information.

From the Inmagic team in Cape Town!
